Application for CDD Board
Clifford R Osborn

As my 1 year term as President of The Cedarbrook HOA has wound down, I still have a desire to be part of assisting this community to be the best it can be. My undergraduate experience included being a class Treasurer and an officer in my social Fraternity. Being active in sports also helped shape the discipline to be successful.

After graduation in 1996, I became a Naval Officer. As a Junior Officer I served 2 tours in Vietnam. After various duties including many commands, I retired as a Captain in 1991.

My Naval career taught me many valuable skills. Among those that are relevant include people skills, looking at alternatives to solve a problem and to work with others in a creative and effective way.

The skills I learned in the Navy followed me in my civilian career. While working in sales and management roles, dedication, looking at solutions and again working with people continued to thrive.

Since retirement I have volunteered to assist to help people through my church. In addition, I served on an ARC Committee for a community of over 5000 homes. Moving to our current home I was elected and completed my 1 year term as President of the Cedarbrook HOA.

I look forward to continuing to the community by being part of a group being dedicated to making this community the best.

Thank you for your consideration.

All complaints regarding services rendered by any Staff member must be made to the onsite Manager or District Management.

AAFT Partnership Outline - FAQ

Thank you for putting your trust in AAFT.

Thank you for selecting All About Food Trucks as your preferred Food Truck Company. We look forward to establishing and maintaining a healthy working relationship with you, and most of all, helping Food Trucks succeed at your location. Below are a list of frequently asked questions relating to working with us and our partner trucks. Please let us know if you have any further questions or concerns. Our goal is to make Food Trucks a success at your location and to help make booking them as easy and efficient as possible.

Why should I work with AAFT to bring trucks to my location instead of booking trucks directly?

Managing and creating a Food Truck schedule is more complicated and time consuming than most people think. There are several important aspects that need to be considered when selecting trucks. Is the truck licensed & insured? Is the staff trained and certified in proper food handling? Is the truck reliable? Can they handle the volume at my location? What are their wait times like? What about the quality of their food? Is their food priced appropriately? What about portion sizes? Is the truck even available on the dates that I need them?

When working with AAFT, we take the guesswork out of scheduling. Our partner trucks are individually vetted, and we ensure that any truck we send out to you meets our quality standards. Furthermore, we categorize our partner trucks into different Tiers that help identify top performers and make choosing the right trucks for your location easier.

How much do AAFT services cost?

Locations do not pay anything for AAFT services. Our Food Truck Partners provide us with a 10% commission for managing locations and handling paperwork, scheduling, promoting, and providing them with an online ordering platform partnership with BFT that is both consistent and reliable. Partner Trucks are our clients as well. We work for them to ensure that they are set up for success when working shifts at your location. **FAQ Continued on Next Page**

AAFT Partnership Outline – FAQ Continued

What if I do not see a truck that I want on your website or on the list of trucks that AAFT works with?

AAFT currently works with over 60 local food trucks. Our roster of Partner Trucks contains the most sought-after trucks in the Tampa Bay Area. In addition to our current roster, AAFT is dedicated to working with any truck your location desires, however, they must meet our standards and expectations. If you have seen or heard from a truck that is not currently listed on our website, please let us know and we will reach out to them directly. If the truck states that they do not work with food truck companies, please redirect them to AAFT. We would love to inform them on our practices and how we can help them. Never book a truck at your location that refuses to work with AAFT or other food truck companies. These undercut and damage the relationship you will have with us and our Partner trucks. We are always open to discussing individual scenarios with you on a case-by-case basis and are committed to meeting your needs.

Can I schedule trucks and events in addition to the ones that AAFT schedules for my location?

This is a hard “No” and there are several reasons for this. A consistent schedule is key to the long-term success of your location. Consumers acclimate to having a structured food truck schedule with predictability. When you schedule outside of pre-set food truck days/nights, trucks tend to struggle. AAFT is always willing to work within your desired scheduling structure, however, it must make financial sense for the trucks for us to do so. Scheduling additional trucks than recommended leads to decreased sales and eventually a decline in the quality of trucks that will be willing to book your location.

What if I no longer want to work with AAFT? How do I cancel my relationship with you?

If you are unhappy with the service or quality of trucks that are scheduled at your location, please let us know. Communication is key to a successful relationship and we want to know if we can do things better. If you decide to end your relationship with AAFT, we simply ask that you give us 30 days’ notice. This is mainly to protect our partner trucks. Shift cancellations within 30 days can be detrimental to trucks. Most trucks are booked 30-45 days out and a canceled shift can severely impact the health of these small businesses. If you inform AAFT of your desire to end our working relationship, we will ask to work anything within 30 days and cancel all shifts that are scheduled more than 30 days out.
