- 1 Your Total Due is the total amount of current charges and any previous unpaid Balances combined. This also states the date payment is due to WM, anything beyond that date may incur additional charges.
- 2 Previous balance is the total due from your previous invoice. We subtract any Payments Received/Adjustments and add your Current Charges from this billing cycle to get a Total Due on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire Total Due to avoid a late charge or service interruption.
- 3 Service location details the total current charges of this invoice.

Dear Customer,

Thank you for the opportunity to finance your insurance premium. Subject to confirmation that the down payment has been paid in full by immediately available funds, and per your request, we will pay the premium balance due on the policy listed below, less your down payment, to either the insurer or your agent as instructed by your agent.

This notice of acceptance (and, therefore, the effectiveness of the premium finance agreement) is conditional upon your down payment not being returned or rejected. If the down payment is returned or rejected for any reason, this condition precedent has not been satisfied and this notice of acceptance and the premium finance agreement will have no legal effect and will be void from inception, which may cause your insurance policies to not be in force.

Your payment schedule is shown below. If payment coupons are not enclosed, you will be billed for each installment.

				I, live closely to the pickleball court. I, have had several issues with the lights on after 9pm. I, have addressed the issues with Bryan in the past. I, feel that 9pm is an appropriate time for the lights to be turned off. Other community residents use the court. They have no consideration for the homes surrounding the court, as well as our OWN residents, especially when they don't live close to the court. The noise travels throughout the area. We had had issues with teenagers hanging out in the court when the lights stayed on all night, playing music and smoking. Not to mention, the amount of people that have hung out in the parking lot smoking, among other things. It is unfair for families that have to work in the morning or children that have to go to school to be subjected to hear the pounding of a ball, yelling, music, etc.. late hours of the night. NO one follows the times listed on the court. The time to play in the morning is 8am. People are out there at 6am. So how can we have some order? There should be access to the court for our residents ONLY. But anyone can come to our community and help themselves to it.

23	Adjust to 10pm	Standard (year-round)	12225 Shining Willow St	Nowadays, many people are interested in playing pickleball. In our community, it's one of the few sports that both young kids and adults can enjoy together. However, the crowd has increased significantly, and we often only get one or two turns to play. Therefore, please adjust the playing time to conclude by 10 PM.
24	Keep as 9pm	Standard (year-round)	12418 Shining Willow St	The people living near the courts should have more say as it affects them more.

27	Adjust to 10pm	Standard (year-round)		I work until 7:30 pm, so it would be helpful to extend the lights until 10 pm to atleast spend an hour or two

28	Adjust to 10pm	Standard (year-round)	12515 Shining Willow St	I would until late evening. It helps me and my family to spend some time if it gets extended to 10 pm

32	Adjust to 10pm	Standard (year-round)	12991 Willow Grove Dr	We would like to get opportunity for playing pickleball, the given time till 9 PM is not sufficient for us to accommodate everyone, we need to give opportunities to kids as well, so please move the time to 10 PM for switching the light off. Thanks for the understanding

39	Keep as 9pm	Standard (year-round)	12926 Willow Grove Dr	I think changing it to a later time would only cause more problems at the community center. A lot of the people that come to play pickle ball aren't even residents of the community. Also, the later the lights are on the more people that feel as they need to gather or hangout at the community center. We have a lot of individuals that come from outside communities on their dirt bikes, golf carts, and off road 4x4's. I think we need to be considerate of our neighbors that live next to the community center and keep the time at 9pm.
